

## BEYOND OUR DOORS

Horizon House has always been involved in the community beyond our doors. Through grants and sponsorships, we are committed to supporting organizations whose programs and services make a difference locally. The common thread among them is their commitment to enhancing the lives of older adults. Residents also volunteer their time and talent to a wide variety of organizations and causes.

### In 2022, the Horizon House Board of Trustees provided grants to:

- Bellwether Housing
- Black Community Building Collective
- Central Area Senior Center
- Compass Housing Alliance
- Council for Health and Human Service Ministries (CHSSM) of the United Church of Christ (UCC)
- Downtown Emergency Services Center
- First Hill Improvement Association (FHIA)
- Freeway Park Association
- Horizon House Shelter Family Sewing Group
- Lifelong Aids Alliance
- Mother Africa
- Pike Market Senior Center
- United Indians of All Tribes

## Partners in Caring

### INSIDE HORIZON HOUSE

The Horizon House endowment, along with generous resident gifts through our **Partners in Caring** yearly campaign, provides support for Staff Scholarships, Residents' Assistance Fund, and in-house Enrichment Grants. Residents also lead their own fundraising effort each year—the Employee Recognition Fund—to acknowledge our wonderful staff. We truly take care of our own!
