

BEYOND OUR DOORS

Horizon House has always been involved in the community beyond our doors. Through grants and sponsorships, we are committed to supporting organizations whose programs and services make a difference locally. The common thread among them is their commitment to enhancing the lives of older adults. Residents also volunteer their time and talent to a wide variety of organizations and causes.

In 2024, the Horizon House Board of Trustees provided grants to:

- Atlantic Street Center
- Bellwether Housing
- Black Community Building Collective
- Central Area Senior Center
- Elderwise
- Lifelong Aids Alliance
- Mother Africa
- NAMI Seattle
- Plymouth Healing Communities
- Shelter Family Sewing (Resident Group)
- Treehouse for Kids
- Wa Na Wari

Partners in Caring

INSIDE HORIZON HOUSE

The Horizon House endowment, along with generous resident gifts through our **Partners in Caring** yearly campaign, provides support for Staff Scholarships, Residents' Assistance Fund, and in-house Enrichment Grants. Residents also lead their own fundraising effort each year—the Employee Gift Fund—to acknowledge our wonderful staff. We truly take care of our own!
